

Anti-Discrimination Statement:

Archuleta Seniors, Incorporated (ASI) is committed to an anti-discrimination policy in all its programs and services. Archuleta Seniors, Inc. is consciously and proactively inclusive of all areas of diversity including, but not limited to, race, ethnicity, color, national origin, ancestry, gender, sexual orientation, religion, age, socioeconomic status, marital status, language, disability, or immigration status.

Diversity and Inclusiveness Statement:

Our diversity and inclusion policy is designed to build a stronger community through the use of awareness and cultural competency training and application in the provision of our services and in our employment and volunteer/outreach efforts. To engage volunteers more fully, our consumers' strengths are identified by our staff both during screening and during long term service provision. When a strength is identified that could be utilized, it is evaluated by staff as to whether approaching that participant to engage them in employing their strength in our setting would be of benefit to them personally. That potential benefit is considered above concern for whether that strength would simply benefit the program.

ASI Inclusiveness Policy Statements

These statements have been formally adopted by ASI's board of directors and reflect the ongoing commitment of ASI's board, staff, and volunteers to an open and equal environment for all employees, and program participants.

ASI is an Equal Opportunity Employer
